Dear Potential Sponsor,

The goal of The Omni Elite Foundation is to extend the rewarding opportunity of competitive sports to as many children as possible at **Omni Elite** in Indian Trail, NC. Omni Elite was established in 2014 and has quickly grown to become Union County's number one All-Star Cheer and Tumbling facility.

Competitive sports throughout the nation can be costly and the costs for one season for a competitive athlete can easily exceed \$5000.00. The athletes work diligently to raise money throughout the season in addition to practicing two to four times a week while maintaining their grade point averages and keeping up with school projects and activities. Support is needed from the community, parents, and coaches who are dedicated to developing these athletes. Our athletes are highly committed and talented but many are unable to afford the cost of uniforms, competitions, tuition and travel expenses.

The Omni Elite Foundation is a non-profit organization dedicated to Omni Elite's young athletes and our community. We are looking to fund tuition scholarships, add new programs and equipment for the season. We look to businesses like yours to help us continue to make a successful impact on our community. The Omni Elite Foundation's non-profit statement is available by request.

Please use the attached sponsor form to indicate your sponsorship level. Twenty percent of all donations go directly to the Omni Elite Foundation's general fund to help fund scholarships, special events, awards and operating expenses for the foundation. **The remaining eighty percent can go to the athlete of your choice, or it can be distributed among all foundation members.**

On behalf of the Omni Elite Foundation and its members, we extend a huge "thank you" for your contribution. It is our goal not only to support the sport of cheerleading and tumbling, but to provide our young athletes with confidence, promote community service and build friendships that last a lifetime!

Thank you for your time and consideration.

Cheerfully,

Omni Elite Foundation
